***WE REQUIRE CUSTOMERS TO HAVE A CURRENT CREDIT CARD ON FILE BUT DO NOT USE THIS CARD FOR PAYMENTS UNLESS NOTED TO USE ON CONTRACT (3.5% FEE is added when using Credit Card and it is run through RED VALLEY GENETICS) ***

Visa, MC, Discover (Please Circle One), Name on Card _____
Card # _____, Expiration Date_____, 3 Digit#_____
Mailing Address of Credit Card Statement _____
Zip Code_____

3) LOCAL BREEDING SERVICE IN Piedmont, SD: Mare Owner/Lessee interested in having mare bred in Rapid City area, we recommend Red Valley Genetics, 13171 High Plains Place, Piedmont, SD 57769 605-787-4808.

4) This contract contains a "Live Foal Guarantee". A live foal is described as a newborn foal which stands and nurses without assistance. If a foal is stillborn, or the mare absorbs/aborts a predetermined pregnancy there are return privileges, only if the Stallion Owner/Manager is notified within ten (10) days and receives a veterinarian statement confirming this. **A "Live Foal Guarantee" will apply only to those mares that are certified in foal by a licensed, attending veterinarian. Confirmation of such pregnancy in the form of documented ultrasound picture or letter from the attending veterinarian must be received by OCTOBER 1 of the breeding year.**

5) If the mare does not conceive, or deliver a live foal, during the contracted season the mare will have rebreeding privileges the following year only. The Stallion Owner/Manager may approve a substitute mare to use the rebreeding privilege. A

substitute mare, accepted by the Stallion Owner**/**Manager, may be used ONLY if the original mare is deceased or deemed unfit for breeding by an accredited veterinarian. If the mare owner fails to rebreed the following year after the original contracted season, then all fees become forfeited. The right to rebreed is cancelled and the stallion owner is released from all further obligations of this contract unless otherwise agreed in writing & signed by both parties. _____ **(Mare Owner/Agent to Initial Here)**

6) A Breeder's Certificate will be issued for the foal conceived because of the breeding. The Breeder's Certificate will be issued only after all expenses have been paid in full and after the foal is born and has been reported to the Stallion Owner/ Manager**. After the mare is confirmed in foal, your vet or you MUST report back to stallion owner via mail or email with mare's name and breeding date(s).**

7) Scott and Val Shoun and Red Valley Genetics nor any of its members or employees shall be liable for damages because of damage to the semen or because of the mare failing to settle. Scott and Val Shoun's sole liability under this contract is in the event the stallion should die or become unfit for breeding purposes this contract shall convert to frozen semen only if available. **ONLY THE CURRENT BREEDING FEES ASSOCIATED WITH THIS CONTRACT WILL BE REFUNDED _____ (Mare Owner/Agent to Initial Here)**

8) When signed by both parties this document will become a legally enforceable contract, binding upon both parties. The parties acknowledge that this agreement shall be entirely governed by, construed and enforced under the laws of the State of South Dakota. If there is any dispute, all disputes of every kind between the parties to this agreement shall only be submitted to arbitration and any award made by the arbitrators shall be considered final and binding. **This contract is <u>non-transferable</u> and <u>cannot</u> be sold.**

Keep a copy of this contract for your records and mail or email, Red Valley Genetics (info@redvalleygenetic.com) ***Be sure to give a copy of the page noted to the vet breeding your mare (this should be the last page of the contract).***

Pre/post-breeding check list

A. Find a good reproduction vet.

B. Worm and vaccinate mare to be bred **30 days prior to breeding** with WNV, rabies and 5-way.

C. Before ordering semen, we highly recommend you have your mare cultured to make sure she has no infections, and a cytology is also highly recommended.

D. Shipped Semen Fees must be paid before semen is sent out.

E. Have mare checked in foal at **14 to 17 days** (to make sure she is pregnant and has no twins, after 17 days it's much harder to pinch off a twin and higher risk of losing them both) and checked again at **25 to 30 days for a foal heartbeat**. (**Mare owner must report back within 30 days of mare being bred, or live foal guarantee will be null and void**)

F. Have a caslick performed, if needed, when mare is safe in foal to prevent Placentitis.

G. Vaccinate pregnant mares with Pneumoabort Kshot at **5, 7, and 9 months** of pregnancy to prevent abortion

H. Worm mare, give Rotavirus shot & all annual shots and have caslick removed **30 days prior to foaling**.

I. Worm mare **within 24 hours of foaling** to help control foal heat scours in the foal

J. Drench foals' umbilical cord 2-3 times a day in a diluted chlorhexidine mix until dried up. If a foal is having difficulty eating or sluggish movements, contact your vet right away for possible test foal IgG within 12 hours of birth.

MAKE SURE THE **VET/FACILITY that is BREEDING YOUR MARE** GETS A COPY OF **RED VALLEY GENETICS** CONTACT INFORMATION ATTACHED, **THIS HAS A CLEAR EXPLANATION OF INFORMATION NEEDED FOR: COOLED SEMEN ORDERS/PAYMENTS/SHIPPINGS FOR STALLION "HASTA BE RELENTLESS"**
